What Every Family should have in house, and why.

house, and why.

They should have Hennawell's Universal Couon Rassary, because it effectually curse Colds, Whooping and Common Coughs, Sore Throat, Hearseness, and is the most simple and perfect Sootning Syrup in the world. For old or young, by day or night, it may be used with the greatist freedom, and three-fourths of the deaths by Consumption stopped, and infents relieved of their suffering by what 'eaves no stain behind.

They should have Hunnawell's Tour Anonyan, because it is a perfect remedy for Neuralgia. Nervous or Sick Headsche, Tooth and Earsche, St. Vitus Dance, Pain in Sinmach or Howels, Gennine Cholera Morbus, Rheumatism, Distress after Eating, Nervousness, Hysicia, and the chief of all causes of disease and insanity, Loss of Sires. Its character, though active, is simple: its action in parfect conformity to nature; its end, care or relief.

For the pains of Monthly Memsimations the Anonyana has been most successful, while Nature's work is undisturbed, and is one of its most important points.

They should have Hexawell's Eclerity Pills, because, with seldom but a Single Fill for a dose, all demangements of the Stomach and Bowels are cursed. They care Indigestion, Dyspepsia, Headache, when caused by foul stomach, Loss of Appetite, Billouaness, so often and so erroneously treated with Mercurials, and Jaundles. For Worms a sure care.

They act simple, assist nature, do not make a Pill Box of a sure care.

They act simple, assist nature, do not make a Pill Box of the storasch, as is the most fatal error of taking so many Pills at a dose; and then, what is important to every family and every Purse, one boitle goes as far as two or three of what is ordinarily sold.

If the above vessons are not good, and results do not conform to declarations, I will request my agents to Refund the Money. This is the basis of My confidence, and that of the public is asked to test.

Hurrah for the Holidays! GEORGE HALL.

Pianos and Melodeans.

Great Central Office and Depot at 195 Ontario Street, Cleveland, Ohio. General Branch Office and Depot for Ashtabula Co. on Park Street, Ashtabula, Ohlo.

Mr. Hall has been compelled to establish his Great Western Depot at Cleveland, where Pianos and Melodeans will be sold wholesale and retail at the lowest possible rates for cush. As heretofore, he will have branch offices and agents in the principal towns, where instruments will be sold at the lowest factory prices.

Well Posted, Great Advantage.

Having been in the trade 18 years, Mr. H. has probably greater advantages than any western dealer, and no one has endeavored to work more for the advantage of his customers than Mr. Hell: It requires some energy and patience to hattle ignorance, prejudice, toggrism and the like, but glory enough attends an enterpaise which has placed a good plane or meledean in nearly 5,000 households, and made merry and glad three times that number of souls with sweet music. Reward of Merit.

Holiday Presents.

Money is plenty, and new is the time to make the daughters tries glad, by cetting them a nice plane or melodean, asserbing they will think a bundred times more of than 1.000 dollars taid up at interest. I will sell for the next Oddays, for each or or short-time paper, 100 planes and Melodeans at greatly reduced prices. Send in your orders seen. Been East;

"Agent" Affixed to a name generally means broken down merchants. A man who is needed of his creditors. Hewever of such designs. What is their "searcant for fire years" goal fort. Mr. Hall is no great, he buys for cash and is responsible for what he agrees to do.

N. H.—When a pedd'er or an agent comes around, always or its to Gro. Hall before purchasing.

Wishing to get acquinted with all lovers of music, teacher, clergyman, &c., we are prepared to answer any onpose letters daily. Persons expecting at some time to buy instructs and those interested in music, will please wrife, a heir address will be kept and they will receive occasions periodicals, circulars, &c., that will be interesting to these. Bradbury Pianos.

Ten Reasons For buying of Geo Hall, at Ashtabula or Cleve lands
1st. He is one of the largest dealers in the United States
2d. He is a judge of instruments.
3d. His instruments are marke to order by special soutract
4th. Has never sold interior instruments and never will.
5th. Is not confined to the sale of any particular make.
6th. Will always do the fair thing whether instruments are
ordered or bought to person.
7th. Is responsible for all he confineds to do.
8th. Has too depote in different parts of the State, and a
ways has a large stock on hand.
9th. Buys for cash and will sell lower than most dealer
can afford to.

Instruments taken in exchange for m.s., and the case as I sale or rent. A large number now on hand for sale obesp. Planos and melod-ans tuned and repaired on reasonable terms.

New Arrangements!

UWING to a great increase in trade.

While many of his competitors, by dishonorable dealing, &c., have falled to succeed, Mr. H. has built up a trade

which is almost without a parallel in the west. Springs now being constantly required, and more than half the struments sold are selected by Mr. Hall for the parties, sent to them, thus saving them trouble and expense Don't try to buy an instrument too chesp. Did you ever a gold dollar sold for ninety cents? There are plenty worthless instruments affording a bug profit for sale at dollars less than first class ones of similar appearance to make them.

Looked into the market. Bought, for cash, of beetre of the best makers, a large stock which are daily arriving at hi different denote. Seven active pianos from 250 to 600 doi lars. It matters not how for you live, always write beforenchasing. You can save massy and be sure of a go-
